## **PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

### **1. INTRODUCTION**

At the Fifty-Second AGM of the Company held on 17 December 2020, the Company had obtained shareholders' approval to purchase and/or hold its own shares up to a maximum of ten percent (10%) of the total number of issued shares of the Company through Bursa Securities. The said approval was effective immediately upon its approval by shareholders at the Fifty-Second AGM of the Company and will expire at the conclusion of the Fifty-Third AGM ("53<sup>rd</sup> AGM") of the Company, unless approval has been obtained from shareholders.

On 15 October 2021, the Company announced to Bursa Securities that it proposed to seek approval from its shareholders on the Proposed Renewal of Share Buy-Back Authority at the 53<sup>rd</sup> AGM, to be convened on 8 December 2021.

The purpose of this Statement is to provide you with relevant information on the Proposed Renewal of Share Buy-Back Authority and to seek your approval for the Ordinary Resolution pertaining to the Proposed Renewal of Share Buy-Back Authority to be tabled as a Special Business at the 53<sup>rd</sup> AGM of the Company, to be convened virtually through live streaming from the broadcast venue at Auditorium, Bangunan Scientex, No. 9, Persiaran Selangor, Seksyen 15, 40200 Shah Alam, Selangor Darul Ehsan and via the TIIH Online website at <https://tiih.online> on Wednesday, 8 December 2021 at 11.30 a.m. or any adjournment thereof. Shareholders are advised to refer to the Notice of 53<sup>rd</sup> AGM together with the Form of Proxy and Administrative Guide of the 53<sup>rd</sup> AGM ("Administrative Guide") which are accessible at [www.scientex.com.my/investors-relations/agm-egm/](http://www.scientex.com.my/investors-relations/agm-egm/). Please follow the procedures provided in the Administrative Guide in order to register, participate and vote remotely via the Remote Participation and Voting facilities.

### **2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

The Board proposes to seek approval from the shareholders for the Proposed Renewal of Share Buy-Back Authority. As at the LPD, the total number of issued shares of Scientex is 1,550,656,129 Shares. The total cumulative Scientex Shares purchased by the Company and held as treasury shares to date up to and including the LPD were 100 ordinary shares.

The Proposed Renewal of Share Buy-Back Authority shall be effective immediately upon the passing of the Ordinary Resolution at the 53<sup>rd</sup> AGM until: -

- (a) the conclusion of the next AGM of the Company following the general meeting at which such resolution was passed at which time it shall lapse unless by ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions;
- (b) the expiration of the period within which the next AGM after that date is required by law to be held; or
- (c) revoke or varied by ordinary resolution passed by the shareholders of the Company in a general meeting,

whichever occurs first.

Pursuant to the provision of Section 127(4) of the Act, the Board may deal with the Scientex Shares so purchased at its discretion, in the following manner: -

- (a) to cancel the Shares so purchased;
- (b) to retain the Shares so purchased as treasury shares; or
- (c) to retain part of the Shares so purchased as treasury shares and cancel the remainder.

Pursuant to the provision of Section 127(7) of the Act where such shares are held as treasury shares, the Board may at its discretion: -

- (a) distribute the treasury shares as share dividends to shareholders;
- (b) resell the treasury shares or any of the said shares in accordance with the Listing Requirements;
- (c) transfer the treasury shares or any of the said shares for the purposes of or under an employees' share scheme;
- (d) transfer the treasury shares or any of the said shares as purchase consideration;
- (e) cancel the treasury shares or any of the said shares; or
- (f) sell, transfer or otherwise use the treasury shares for such other purposes as the Minister may by order prescribe.

The decision of the Board on the above options and/or any other manner as prescribed by the relevant rules, regulations and orders made pursuant to the Act, the Listing Requirements and any other relevant authorities for the time being in force, as may be selected or determined from time to time, will be made at an appropriate time and an immediate announcement will be made to Bursa Securities in relation to the Shares purchased and the treatment of the Shares purchased, following any transactions to be executed pursuant to the authority granted under the Proposed Renewal of Share Buy-Back Authority.

### **3. RATIONALES AND BENEFITS FOR THE PROPOSED SHARE BUY-BACK**

The rationales and benefits for the Proposed Share Buy-Back are as follows: -

- (a) Scientex is able to utilise its financial resources that it has no immediate usage for the Proposed Share Buy-Back when Scientex Shares are undervalued, which in turn, stabilise the supply and demand of Scientex Shares in the open market and thereby supporting its fundamental value;
- (b) General investors' confidence in the stability of Scientex Shares price is expected to be enhanced as Scientex is empowered to implement the Proposed Share Buy-Back;
- (c) The Shares purchased can also be held as treasury shares and resell on Bursa Securities at a higher price with the intention of realising a potential gain without affecting the total number of issued shares of the Company. Should any treasury shares be distributed as share dividends, this would serve to reward the shareholders of the Company; and
- (d) The Proposed Share Buy-Back is also expected to enhance the EPS and the return on equity of Scientex which will benefit the shareholders of the Company.

#### **4. POTENTIAL DISADVANTAGES OF THE PROPOSED SHARE BUY-BACK**

The potential disadvantages of the Proposed Share Buy-Back are as follows: -

- (a) The Proposed Share Buy-Back would reduce the financial resources of the Company and may result in the Company and/or the Group forgoing better investment opportunities that may emerge in the future; and
- (b) As the Proposed Share Buy-Back can only be made out of retained earnings of the Company, it may result in the reduction of financial resources available for distribution to shareholders of the Company in the immediate future.

However, these disadvantages are mitigated by the prospect that the financial resources of the Company may increase, if the Shares purchased held as treasury shares are resold at prices higher than the purchase price.

In this respect, the Proposed Share Buy-Back will be exercised only after due consideration of the financial resources of the Company and its resultant impact to the Company and the shareholders of the Company. The Board will be mindful of the interests of Scientex and its shareholders in undertaking the Proposed Share Buy-Back.

#### **5. FUNDING FOR THE PROPOSED SHARE BUY-BACK**

The Board proposes to allocate a maximum amount not exceeding the retained earnings of the Company for the purpose of the Proposed Share Buy-Back. Based on the latest Audited Financial Statements of the Company for the financial year ended 31 July 2021, the retained earnings amounted to RM214,840,000.

The funding of the Proposed Share Buy-Back will be sourced from internally generated funds and/or bank borrowings, the proportion of which will depend on the quantum of purchase consideration as well as the availability of internally generated funds, borrowings and repayment capabilities of the Company at the time of purchase(s). In the event that the Proposed Share Buy-Back is to be partly financed by bank borrowings, the Board will ensure that the Company has sufficient funds to repay such borrowings and that the repayment would not have any material effect on the cash flow of the Company and/or the Group.

#### **6. FINANCIAL EFFECTS OF THE PROPOSED SHARE BUY-BACK**

##### **6.1 Issued Share Capital**

The effect of the Proposed Share Buy-Back on the total number of issued shares of Scientex depends on whether the Shares purchased are cancelled or retained as treasury shares.

The Proposed Share Buy-Back will result in reduction of the number of issued shares of the Company if the Shares purchased are cancelled. Based on the assumption that the Proposed Share Buy-Back is implemented in full and all the Shares purchased are cancelled, the effect on total number of issued shares of the Company is illustrated as below:

THE REST OF THIS PAGE IS INTENTIONALLY LEFT BLANK
---

Scenario 1: Assuming that the outstanding 103,311,065 Warrants were not exercised.

Scenario 2: Assuming that all the outstanding 103,311,065 Warrants were exercised.

	<b>No. of Scientex Shares</b>	
	<u>Scenario 1</u>	<u>Scenario 2</u>
Total number of issued shares as at LPD (including 100 treasury shares)	1,550,656,129	1,550,656,129
Additional shares to be issued pursuant to the exercise of the outstanding Warrants	-	103,311,065
Enlarged total number of issued shares	1,550,656,129	1,653,967,194
Assuming that the maximum number of Shares purchased pursuant to the Proposed Share Buy-Back were cancelled	(155,065,613)	(165,396,719)
Total number of issued shares upon completion of the Proposed Share Buy-Back and cancellation of Shares purchased	1,395,590,516	1,488,570,475

## 6.2 Dividends

In respect of the financial year ended 31 July 2021, a single tier final dividend of 5 sen per ordinary share was proposed for shareholders' approval at the 53<sup>rd</sup> AGM. Assuming that the Proposed Share Buy-Back is implemented in full, dividends would be paid on the remaining issued shares of Scientex (excluding the Shares purchased pursuant to the Proposed Share Buy-Back).

## 6.3 Net Assets

The effect of the Proposed Share Buy-Back on the net assets per Share of the Group is dependent on the purchase price and the number of Shares purchased.

The Proposed Share Buy-Back will reduce the net assets per Share when the purchase price exceeds the net assets per Share at the relevant point in time. On the contrary, the net assets per Share will increase when the purchase price is less than the net assets per Share at the relevant point in time.

In the event that the Shares purchased were held as treasury shares and subsequently resell on Bursa Securities, the Company's net assets per Share would increase if the Company realise a gain from the resale and vice-versa.

In addition to the purchase price of the Shares, the effective cost of funds or any loss in interest income to the Group may also have an impact on the net assets per Share.

## 6.4 Working Capital

The Proposed Share Buy-Back will reduce the working capital of the Group, the quantum of which depends on, amongst others, the number of Shares purchased, the purchase price of Scientex Shares and any associated costs incurred in making the purchase. However, it is not expected to have any material effect on the working capital and cash flow of the Group.

For Shares purchased which are retained as treasury shares, the working capital and cash flow of the Company will increase, upon its resale. Again, the quantum of the increase in the working capital and cash flow will depend on the actual selling price of the treasury shares and the number of treasury shares resold.

## 6.5 Earnings

The Proposed Share Buy-Back will increase EPS of the Group, depending on the number of Shares purchased, the purchase price of Scientex Shares and the effective funding cost to finance the purchase or loss in interest income to the Group.

Similarly, on the assumption that the Shares purchased are treated as treasury shares, the extent of the effect on the earnings of the Group will depend on the actual selling price, the number of treasury shares resold, the effective gain, loss or interest saving arising from the exercise.

## 7. SHAREHOLDINGS OF THE DIRECTORS AND SUBSTANTIAL SHAREHOLDERS

Assuming that the Proposed Share Buy-Back is implemented in full and that the Scientex Shares purchased were from shareholders other than the Directors and substantial shareholders, the effect of the Proposed Share Buy-Back on the shareholdings of the Directors and substantial shareholders of Scientex based on the Register of Directors' Shareholdings and Register of Substantial Shareholders as at LPD are as follows: -

## 8. PUBLIC SHAREHOLDING SPREAD

As at the LPD, the public shareholding spread of the Company was 40.30%. Assuming that the Proposed Share Buy-Back was implemented in full and all the Shares purchased were from public shareholders and no Warrants were exercised, the public shareholding spread of the Company would be reduced to 33.67%.

In this regard, the Board will ensure that prior to any purchase of Scientex Shares, the public shareholding spread of at least 25% is maintained.

## 9. HISTORICAL SHARE PRICES
